Playground and Landscape Contractors List

The RICCELFF does not make any recommendations on specific firms to contact or hire when selecting a contractor. The firms listed below are those who grantees chose or consultants recommended to hire for funded capital grant projects. There are many licensed, bonded contractors in the area who may be qualified and available to complete your project. Visit the Resources section of the RICCELFF website at <http://www.riccelff.org> for tips and information on selecting contractors and other professionals.
